

# Description of the database EVENTPLANNER

**The database stores information used by an event planner to support his business. It contains information about the events, clients, partners,...**

**Clients:** contains client\_number, first and last\_name, phone and email address

**Events:** contains data about the event:

Name, event\_date, description, cost, venue\_id, package\_code, theme\_code and client\_number

**Packages:** each package has a code and the prices of the package can vary between low\_range and high\_range

	code	low_range	high_range
1	79	500	2500
2	87	2501	5000
3	112	5001	10000
4	200	10001	15000

**Themes:** Events can have certain themes. For example the theme 'carnaval' with code 220

code	description
200	tropical
220	carnival
240	sixties
110	classic
198	mardi gras
454	eighties
340	football
502	fairy tale

**Venues:** The DJ can offer to the client different venues (local where the event happens). We keep in this table the name, address, rental fee, the type of location and some extra information about the venue in comments.

**Job\_assignments:** Here we keep a list of the job\_assignments. It contains the partner\_id (who worked with the DJ), the date of the event and the event\_id and a status\_id

**Partners:** lists all the partners id, first\_name, last\_name, expertise, speciality, authorized expenses, manager\_id, and the partner\_type

**Play\_list\_items:** Playlist of songs\_id which has to be played at the different events at certain moments

	event_id	song_id	comments
1	100	45	play late
2	100	46	<null>
3	100	47	play early
4	105	48	play after cake cutting
5	105	49	play first
6	105	47	play for the father

**Songs:** list of songs played at the events

	id	title	duration	artist	type_code
1	45	its finally over	5 min	the hobbits	12
2	46	im going to miss my teacher	2 min	jane pop	12
3	47	hurrah for today	3 min	the jubilant trio	77
4	48	meet me at the altar	6 min	bobby west	1
5	49	lets celebrate	8 min	the celebrants	77
6	50	all these years	10 min	diana crooner	88

**Types:** Description of the type\_code of songs

**Cds:**

	cd_number	title	producer	year
1	90	the celebrants live in concert	old town records	1997
